Wings of Freedom Tour

Stepping back in time brought back a flood of emotions from Taylor Residents, Veterans and Staff during the Wings of Freedom Tour at Laconia Airport on September 24.

Jim Doherty (US Air Force) and Joe Picard (US Army) are pictured walking off the flight line tall and proud after a nostalgic flight aboard the B-17. Sadly, the plane crashed a week later at Bradley International Airport in CT. Our sincere sympathy to all affected by this tragedy.

Taylor Community 2019 Music Series

Vintage Vocal Quartet

Sunday, October 13 at 3pm

Taylor O'Donnell, Soprano Voice/Piano; David Thorne Scott, Alto Voice/Bass; Adam Gautille, Tenor Voice/Trumpet; and Paul Pampinella, Baritone Voice/Guitar

It only takes four to put a nickel in a pre-modern jukebox of sweet vocal harmony. The Vintage Vocal Quartet brings the big band era to life by singing while swinging on piano, guitar, bass and trumpet. Their repertoire is inspired by groups like Glenn Miller's Modernaires, the Nat King Cole Trio, the Andrews Sisters, and Tommy Dorsey's Pied Pipers. Also singers such as Bing Crosby, Frank Sinatra, Ella Fitzgerald, and Jo Stafford. If you love vocal harmony and swing music, the Vintage Vocal Quartet has your number!

Generously supported by Bank of New Hampshire, our Music Series performances are free and open to the public with no reservations required.

Wright Museum Outing

Residents visited the Wright Museum to see *The Last Good War — The Faces and Voices of World War II,* an inspiring photography exhibition honoring the legacy of the "Greatest Generation," proudly sponsored by Taylor Community. Thank you to Executive Director Michael Culver for the tour of the exhibition—on display through October 31—as well as the Museum's incredible World War II Collection!

Staff Spotlight
Nancy Barry

Many of the residents at Taylor Community have noticed a familiar face around campus. That is Nancy Barry, who many may know as the Producing Artistic Director of the Interlakes Summer Theatre. Nancy's other role is Activities Director at the Taylor Home. She loves the job and feels that, "This is a most supportive community… The staff cares so much about each resident, the residents care for one another, and I love every minute of my time here!" Nancy has always had a personal philosophy: *"The answer is always "yes," until it's "no,"* which she admits often gets her into trouble — but when she came for an interview and saw the Taylor Philosophy of "YES" up on the wall — it would prove to be a perfect fit!

As early as 1983, Nancy got involved in casting, working side-by-side with Norman Leger at The New London Barn Playhouse from 1983 until his death in 2005. In 2007 she moved to the Lakes Region to re-start the theatre in Meredith under the new entity "Interlakes Summer Theatre." The theatre brings in professionals and interns from professional college programs from all over the country. Nancy is especially proud of the fact that in 12 years of operation, Interlakes Summer Theatre has helped launch the careers of 42 actors who have since signed Broadway contracts. She was also very proud to recently be recognized as the "Best Live Theatre in the Lakes Region"!

Nancy graduated from Emerson College, with a B.S. in Speech Communication, and an M.A. in Theatre Education/Directing. After teaching Speech & Drama for a few years at Cardinal Cushing Central High School, she moved to New York where she pursued a career that included television, film, stage, cabaret, commercials and commercial print. Moving back to the Lakes Region, she currently lives in Meredith with her three cats. Most of her family, and her 11 nieces and nephews, live in Pennsylvania and New York but she also has a sister in Munich, Germany. Nancy loves the ocean, the mountains, and being a facilitator. Her secret ambition is to learn to paint. With so many refurbs going on at Taylor, she just might get her wish, although I believe artistic painting is her desire. The residents at Taylor Home are enthusiastic about the activities that Nancy initiates and their active participation tells me that we have some budding thespians among them.

Pub Mania Shuffle Update: Shuffle with us!

This from Gretchen October 3:

31 members of our community (staff and residents) have participated in at least one Pub Mania Shuffle this season. Collectively we've donated $650 toward the Greater Lakes Region Children's Auction, had some fun, and even won a few raffle prizes in the process. Pictured below are Paul Krampfert and Brian Walker with their prizes last night. Who knew a couple of retired guys would be so thrilled about winning a teddy bear in a coffee mug and a hat?

According to our resident statistician/shuffler, we only need to average 9 shufflers a week for the next four Wednesdays to make it to $1,000 in donations. I think we can do it! Thanks to all who have joined us so far—it's been fun!

Let me know if you would like to join us next Wednesday.
