Dining Survey on the Way

Independent residents at Woodside and the Ledges will soon be receiving a survey regarding dining services at Taylor and I am strongly encouraging you to take a few minutes to complete and return it. Every day we strive to make your dining experiences at Taylor the best they can be, but we need your help. Please take a moment to let us know what you like and don't like and the changes and improvements you'd like to see.

The survey you will be receiving provides an excellent way for us to get the input we need from you and your neighbors so that we can provide the best dining experiences on an ongoing and consistent basis. We need your help. The survey has a very simple format and it is quick and easy to complete in a matter of minutes.

Completed surveys can be dropped off in the Woodside Lobby or at the Welcome Center. If you'd like us to come pick up your survey, just call the Welcome Center at 366-1400.

Thank you for your help.
Sincerely,

Michael Flaherty
President/CEO

You Make the Taylor “Non-Profit” Difference Possible!

I write you this because, a little over a month ago, we sent you our calendar year-end appeal letter. In that letter, we shared with you the story of Taylor Community’s Nonprofit Difference and all that it makes possible for our residents.

Donations from individuals like you go directly to work meeting the demand for the ever-increasing need for uncompensated care; supporting the life of our energetic residents through a robust activities program and other amenities; investing in improvements to existing buildings and grounds, and utility and technology upgrades; and aiding renovations to residential interiors and exteriors, as well as landscaping.

But, you may not know that we cannot provide this “difference” without you. YOU are the “difference.” The kind of life found here is not found in many other places.

Don’t worry that you can’t find that letter we sent you. Just visit our website and donate online at taylorcommunity.org, return your contribution to the Taylor Community Development Office, or contact me directly at rcabral@taylorcommunity.org.

It is never too late. Give the gift of the “Taylor Difference.” Together, we are creating the life we all want to live – the very best standard of care and amenities to those who call us home, regardless of circumstances.

But, we can’t provide this without you!

Holiday Lotions, Body Wash and Bath Bombs. Shampoos, Conditioners and Finishing Products for men and women.

Staff Spotlight Hank Offinger

Hank Offinger is the Director of Care Management at Taylor. If you have been an independent living resident in the last four years, you have met with Hank and his team. I would guess that Hank has one of the most interesting resumes prior to coming to Taylor. He worked as Vice President of Customer Support for a software firm, sold management consulting services for Fortune 500 companies, and spent many years living and working in New York City before moving to North Sandwich. Upon leaving the hustle and bustle of the Big City, he decided to use his Masters in Clinical Social Work degree (from Smith College) and do what he always wanted to do, work with seniors. His pleasant manner, deep caring for our residents' needs, intelligence and sensitivity make him the perfect person for the job of working with Taylor's wonderful residents.

This new career might not be Hank's last. His true avocation is the theatre. As an active thespian, Hank has been involved in theater for 13 years, appearing in 25 off-Broadway theatre productions (Laconia is about as "off-Broadway" as one can get), tv shows, independent films and "webisodes." Many of you have enjoyed Hank's local performances and he is a talented performer. I like to tease Hank about "chewing up the scenery" but he is very talented and dedicated to his craft. His favorite role is whatever he is doing at the time but his dream role would be as George in Edward Albee's, "Who's Afraid of Virginia Woolf." I could see Hank in a codpiece treading the boards as Hamlet, or as Scrooge in "A Christmas Carol." But whatever part he may play, he will do it well.

He has been married for 39 years to his wife, Mo, and they have one adult son and daughter, and one granddaughter with one grandson on the way. Every so often he brings one of his giant black labs, either Ruthie or Howie, into Taylor. And when the weather is nice, you can see him doing a slow motion run around the Taylor campus. It is rumored that he has stopped running for the season as a tortoise was recently seen passing Hank going up Ledges Drive.

When Hank is not working or studying for a part, he enjoys baking cakes and breads, walking in the beautiful New Hampshire woods and boating on Squam Lake — a far cry from the Big Apple!

Gilda's Club

Cancer survivor Pat Anderson came to Woodside for the November TED Talk, presenting the idea and goals of Gilda's Club to attendees.

Gilda's Club is a worldwide organization named after comedian Gilda Radner (long-time Saturday Night Live cast member) offering free services for people and their loved ones affected by cancer. Services include educational programs, spaces to visit and socialize, play space for children, a place to laugh, cry and talk.

Since September, Pat and her volunteers have raised \$65,000 to start a chapter in Laconia. Her story was highlighted recently in the Laconia Daily Sun.

Taylor looks forward to supporting this worthwhile effort through the use of our space as they search for land and/or a building to launch this endeavor.

Happy Holidays from Glendale Senior Dining!

There will be no Theme Dinner or Social in December because of the Holiday Party December 19. Also, with the Holiday Party sandwiched between two regular evening meal nights, we may choose to not hold dinners the 18th and 20th. This decision will be made after polling Residents on Tuesday, December 4.

Sunday Brunch returns to a la carte (old style of service) December 9, from 11am — 2pm. Reservations are required.

Due to the improved fluidity of the set-up for Thanksgiving (having the buffet in the Bistro and a one-way line exiting into the function room) we are planning on making this method the new standard for large events such as holidays, theme dinners and socials. This allows us to use the space normally used for the food in the dining room as more seating to increase our capacity. For the Social, this will optimize mingling and socializing.

Holiday Pies! Order by Wednesday, December 19 and pick up on Sunday, December 23 or Monday, December 24 by 2pm.
