

Team Taylor and the Glendale Dining Services crew stopped to pose for a photo before delivering Easter dinner to our independent residents yesterday.

“You have no idea how much this was appreciated! And the meal was delicious. I got out my holiday dishes and set a table for one but didn’t feel alone.” - Resident Diane Beaman

Dear Taylor Community,

Hats off to the team from Glendale Dining Services for executing an outstanding Easter meal for our residents yesterday. Now, more than ever, we recognize the value of our solid business partners, and the team from Glendale is exceptional. As well, continued thanks to Team Taylor, who continue to show up in extraordinary ways for our residents and one another.

And as this stay at home order is becoming the new normal, let’s not get complacent. We’re hearing mixed messages around the nation—both good and not so good reports—so it is hard to get a handle on how much longer this will last.

Until we know more, let’s stay the course and stay vigilant. Team Taylor will continue to closely monitor the situation and continue to be here for you. You are not alone. We are all in this together.

Be well and please keep washing those hands,

Michael

SELF-QUARANTINE REMINDER:

As we announced on April 5th, any resident who leaves the Taylor campus is asked to self-quarantine for 14 days upon their return.

By self-quarantine we ask that you not leave your cottage or apartment. Food and grocery deliveries can be placed outside of your door by Taylor staff.

Again, we appreciate your cooperation and understanding as we work to keep our residents and staff safe and healthy.
