

FEELING THE LOVE: Those dropping off parcels for residents yesterday at the Walker Street entrance brought smiles and happy tears to loved ones and staff helping with the deliveries.

“Sometimes making deliveries is surprisingly emotional. One day it feels like my hello is giving a lift to the resident receiving the package, and on other days, I think their smile—albeit from over 6ft away—is what gives me a boost during this strange time in our world.” –Team Taylor staff member

Dear Taylor Community,

This COVID-19 pandemic has certainly turned our world upside down. It has also highlighted how important it is to live and work in a community with people who truly care about one another.

By all accounts, the first Parcel Drop off was a great success yesterday. Almost thirty people stopped by the Walker Street entrance to drop off essential packages for their loved ones between 11:00 am - Noon.

Having been there to experience the emotion of those drop offs and deliveries to residents, I was reminded how fortunate we are to be surrounded by an extended family—the Taylor Community family—to lift each other up when times are tough.

Someday we will be on the other side of this COVID-19 crisis. Until then, please know that it is truly Team Taylor’s pleasure to be here for you. You are like family to us.

Be well and please keep washing those hands,

Michael
366-1219 or mflaherty@taylorcommunity.org

JOKE OF THE DAY

Courtesy of Resident Dick Wolfe

So I got my concealed gun permit yesterday and went over to the local Bass Pro Shop to get a small 9mm pistol for home protection. When I was ready to pay for the gun and bullets, the cashier said, "Strip down, facing me."

Making a mental note to complain to the NRA about gun control wackos running amok, I did just as she had instructed. When the hysterical shrieking and alarms finally subsided, I found out that she was referring to how I should place my card in the credit card reader. They need to make their instructions to seniors a little clearer.

ED SOUCY'S UPDATE ON STIMULUS & FRAUDS:

A new fraud is out there already. Fraudsters are making phone calls and saying they are from the US Treasury or IRS and that in order to get the stimulus checks the call recipient must give the caller their Social Security number and bank account number. THIS IS A SCAM. Hang up, and give them no information. The IRS already has your social security number if you filed a tax return or if you received Social Security benefits. The IRS has your bank account number if you had a refund in 2018 or 2019 and had it directly deposited into your bank account. They do not need any more information from you. Please be alert. If you are entitled to get a stimulus check, it will come sooner or later. Give out no information to anyone on the phone. Being safe is better than being sorry.

FACE MASKS

We recently received another generous donation of cloth facemasks from members of the community. Please contact Brenda Kean or Paula Glaude if you need one and we will be happy to deliver to you doorstep.

LIBRARY BOOK DELIVERIES

Our Woodside Building remains open to Woodside Residents only, with the exception of reservation only use of the gym. However, please let us know if you are in need of a library book delivery. We are happy to help. For more information, please contact Brenda Kean.

STAFF APPRECIATION

A little birdie told us that the residents have planned a bit of a surprise at 2pm on Friday as a gesture of thanks to the Taylor Community staff. If you haven't already heard the details from your Neighbor to Neighbor representative, please check in with them to find out what's planned.

WOODSIDE BISTRO
