

Dear Taylor Community,

“Alone we can do so little. Together we can do so much.” – Helen Keller

Today our additional restrictions on campus go into effect. We ask that all independent residents stay on campus unless it is essential to leave. If you must leave, we ask that you self-quarantine for 14 days upon your return.

We appreciate your understanding and cooperation as we work to keep our residents and staff safe and healthy. Together we will help flatten the curve and get on the other side of this statewide COVID-19 crisis sooner than later.

We're all in this together.

Be well, take care of one another, and please keep washing those hands.

ED SOUCY'S FUNNIES

If you are ever attacked by a group of clowns, go for the juggler.

I used to manufacture clown shoes which was no small feat.

What material do they make clown costumes out of? Poly-jester.

What is the red stuff between circus elephants toes? Slow clowns.

Why do sharks not eat clowns? They taste funny.

JOKE OF THE DAY COURTESY OF A RESIDENT FUNNYMAN

A lady goes into a bar on a cruise ship and orders a Scotch with two drops of water. As the bartender gives her the drink she says, "I'm on a cruise to celebrate my 80th birthday and it's today." The bartender says, "Well, since it's your birthday, I'll buy you a drink. In fact, this one is on me."

As the lady finishes her drink, the woman to her right says, "I would like to buy you a drink, too." The old woman says, "Thank you. Bartender, I want a Scotch with two drops of water." "Coming up," says the bartender. As she finishes that drink, the man to her left says, "I would like to buy you one, too." The old woman says, "Thank you. I want another Scotch with two drops of water." "Coming right up," the bartender says.

As he gives her the drink, he says, "Ma'am, I'm dying of curiosity. Why the Scotch with only two drops of water?"

The old woman replies, "Sonny when you're my age, you've learned how to hold your liquor. Holding your water, however, is a whole other issue."

Wellness exercise classes are now on Channel 98 at both 11am and 1 pm
