

“She said she usually cried at least once each day not because she was sad, but because the world was so beautiful & life was so short.”

— Brian Andreas

Dear Taylor Community,

Wow! A fire truck, four police cars, and one hundred vehicles paraded through Taylor Community yesterday. The Mother’s Day parade was extraordinary thanks to the loved ones who showed up with decorated vehicles, signs, and enthusiasm beyond compare. It was a spectacular display of love!

As one resident said this morning, “From my perspective, the lift that it provided to the community was immeasurable. I found myself saying “thank you” to everyone in the parade. The gift was truly heartfelt. More precious than gold.”

My thanks to Team Taylor for once again going above and beyond to provide this special experience for our residents and their families. You are simply the best!

Be safe, take care of one another, and please keep washing those hands,

Michael

TAKEOUT AT BACK BAY

We were happy to partner with Huck's Hoagies and Garwoods to bring delicious takeout to our Back Bay campus residents. The delivery drivers were a little questionable though.
