Dear Taylor Community,

Today we announce the Taylor Community Soft Opening Phase II plans for Independent Residents that will go into effect on June 8th.

### **SHOPPING**

We will continue to offer shopping, but we will begin charging Independent Residents \$10 per list on June 8<sup>th</sup>. We will shop in Laconia Monday, Wednesday, Thursday and Friday, according to the neighborhood schedule we have already established. We will shop for Wolfeboro on Tuesday (Wolfeboro Residents should contact Hank Offinger by phone by Monday evening if they require shopping). We will modify the schedule as needed to reflect the level of requests for this service. Residents may continue to order up to 15 items (multiples of the same product are considered one item). We will continue to do pharmacy and liquor store pick-ups in Laconia one day per week: Tuesday. There will be a \$5 charge for this service for Independent Residents in Laconia.

### **WOODSIDE BISTRO**

Woodside Bistro will be open for curbside pick-up and outside dining Monday - Friday.

- All fresco dining will be from 12pm – 1pm only.
- Residents will continue to call in orders and drive up to the Woodside vestibule on the 1<sup>st</sup> floor and staff will bring your order out to your vehicle.
- Home deliveries will still be available but there will be a \$2.00 charge.
- Tuesday & Thursday Dinners will be under the Pavilion starting June 23<sup>rd</sup>

### **DIAL-A-RIDE**

- Dial-A-Ride food shopping transportation will be offered every Monday, Tuesday and Friday with pickup beginning at 9:00 am for Hannaford & Walmart stops only. This service will be for our Independent Residents only. We will provide two buses for each trip. Call Dial-A-Ride to reserve a seat between **9:00 am – 12:00 pm no later than the day before you plan to shop.**
- Residents will sanitize hands and wear a mask when they board the bus.
- Residents will start to fill seats from the back moving forward and they will zig zag to the front.
- Only 6 residents per bus.
- Residents will unload front to back.
- Pickup from store will be 11:00am.
- Households will only be able to use the shopping bus 1 time per week.

### **RAISED GARDEN BEDS**

- Car Dealers/Mechanics will be allowed on campus. You must contact JoAnn at 366-1262 the day prior and let her know when and who is coming. They will need to go through the symptom check to pick-up and/or drop off cars, or for residents to use their courtesy shuttle if needed.
- Outside Bulk Shopper Delivery Services (Instacart/BJs) and Pharmacies will be allowed on campus. You must contact JoAnn at 366-1262 the day prior and let her know when and who is coming. They will need to go through the symptom check before being allowed to your home. Woodside residents will need to meet the driver at the front door and retrieve your packages and not let the driver in the building.

Thank you for your continued patience and understanding through this re-opening process. As always, please contact me with any questions. Be safe, take care of one another, and please keep washing those hands.

**JOKE OF THE DAY**

Two men were sitting next to each other at Murphy’s Pub in London. After a while, one bloke looks at the other and says, “I can’t help but think, from listening to you, that you’re from Ireland.”

The other bloke responds proudly, “Yes, that I am!”

The first one says, “So am I! And where about from Ireland might you be?”

The other bloke answers, “I’m from Dublin, I am.”

The first one responds, “So am I!”

“Mother Mary and begora. And what street did you live on in Dublin?”

The other bloke says, “A lovely little area it was. I lived on McCleary Street in the old central part of town.”

The first one says, “Faith and it’s a small world. So did I! So did I! And to what school would you have been going?”

The other bloke answers, “Well now, I went to St. Marys, of course.”

The first one gets really excited and says, “And so did I. Tell me, what year did you graduate?”

The other bloke answers, “Well, now, let’s see. I graduated in 1964.”

The first one exclaims, “The Good Lord must be smiling down upon us! I can hardly believe our good luck at winding up in the same place tonight. Can you believe it, I graduated from St. Marys in 1964 my own self!”

About this time, Vicky walks up to the bar, sits down and orders a drink.

Brian, the barman, walks over to Vicky, shaking his head and mutters, “It’s going to be a long night tonight.”

Vicky asks, “Why do you say that, Brian?”

He replies, “The Murphy twins are drunk again.”

**US TREASURY DISTRIBUTES**

**STIMULUS FUNDS IN THE FORM OF DEBIT CARDS**

Last weekend, some residents began to receive a debit card enclosed in what was a generic, innocuous envelope. Without fanfare or much advance notice, the Treasury mailed out 4 million of these cards last week to those who had not received the \$1200 per person stimulus funds via check or by direct deposit. At first glance, the entire package received with the card appeared to be a scam, and some may have been tempted to toss the card in the trash. But, these are real and the materials in the envelope should guide you on how to determine the balance on the card and there is some material that identifies it as the stimulus payment. If you received a card, you can use it like a regular debit or credit card or you can obtain cash at an ATM up to the balance of the card. If you wish to transfer the card balance to your bank account, I suggest contacting your bank directly for guidance how to do it. —Ed Soucy (366-1229 or esoucy@taylorcommunity.org)

**HOW SMART ARE YOU?**

**Courtesy of Resident Dick Wolfe**

Here are some questions to test your brain power. Think carefully about the question before you look at the answer.

**First Question:** You are a participant in a race. You overtake the second person, what position are you in?

**Answer:** If you answered that you are in first, then you are absolutely wrong! If you overtake the second person and you take his place, you are in second place.

**Second Question:** If you overtake the last person, then you are in what position?

**Answer:** If you answered that you are second to last, then you are...wrong again. Tell me sunshine, how can you overtake the last person? You’re not very good at this, are you?
