

Tuesday July 28, 2020

Dear Taylor Community,

There is nothing quite like New Hampshire's Lakes Region in the summer. It's why residents and staff choose to live here, and why friends and relatives love to visit us in the summer months. None of us wants to think that our loved ones will bring anything but joy to us when they visit this summer. Unfortunately, we need to recognize that depending on where they are travelling from, they very well could. The State of New Hampshire and the other New England states are stable right now, but other parts of the country are struggling with COVID-19.

Today I want to remind all residents and staff of the State of New Hampshire's guidance regarding visitors from out of state and travel out of state. According to the State of New Hampshire's Safer at Home guidance, **those traveling to New Hampshire from non-New England states are asked to self-quarantine for a two week period.**

Again, **those traveling to New Hampshire from non-New England states are asked to self-quarantine for a two week period.** I mention this not to raise alarm, but simply to remind all residents and staff to remain vigilant and use good judgement. Our campus remains COVID-19 free thanks to our collective efforts, and none of us wants to be the one to welcome it onto campus.

A few reminders:

- Independent residents may host family and friends as guests in their cottages and apartments.
- We ask that visitors not spend time in the common areas (inside or outside) on campus. This includes the Woodside Bistro & Dining Room, Gym, Outdoor Pavilion and Garden area.
- Should you spend time with visitors to the Lakes Region who have come from outside the New England states, we ask that you please self-quarantine for 14 days.
- If you travel outside of New England, we ask that you self-quarantine for 14 days.

As always, we appreciate your understanding as we work to keep our campus safe for all residents and staff. Should you have any questions, please do not hesitate to contact me. We are all in this together.

Be safe, wear a mask, and please keep washing your hands.

Michael
(366-1219 or mflaherty@taylorcommunity.org)

JOKE OF THE DAY

An Irish Ghost Story....

This story happened a while ago in Dublin and, even though it sounds like an Alfred Hitchcock tale, it's true.

John Bradford, a Dublin University student, was on the side of the road hitch-hiking on a very dark night and in the midst of a storm.

The night was rolling on and no car went by. The storm was so strong he could hardly see a few feet in front of him.

Suddenly, he saw a car slowly coming towards him and stopped. John, desperate for shelter and without thinking about it, go into the car and closed the door...only to realize that there was nobody behind the wheel and the car wasn't running.

The car started moving slowly. John looked at the road ahead and saw a curve approaching. Scared, he started to pray, begging for his life. Then, just before the care hit the curve, a hand appeared out of nowhere through the window, and turned the wheel. John, paralyzed with terror, watched as the hand came in the window, but never touched or harmed him.

Shortly thereafter, John saw the lights of a pub appear down the road, so, gathering strength, he jumped out of the car and ran to it. Wet and out of breath, he rushed inside and started telling everybody about the horrible experience he had just had.

A silence enveloped the pub when everyone realized he was crying...and wasn't drunk. Suddenly, the door opened, and two other people walked in from the dark and stormy night. They, like John, were also soaked and out of breath. Looking around, and seeing John Bradford sobbing at the bar, one said to the other...

"Look Paddy, there's that idiot who got in the care while we were pushing it!"

TAYLOR HOME GARDENERS

The raised garden beds outside of our Taylor Home building are thriving thanks to the efforts of our resident gardeners.

WOODSIDE BISTRO—Phone: 366-1481

**The Bistro is OPEN, Seven days a Week!
11:30 am -1:30 pm**
