

“The more you praise and celebrate life, the more there is in life to celebrate.” – Oprah Winfrey

Dear Taylor Community,

Three members of Taylor’s leadership team are celebrating milestone birthdays this fall. Together they have a combined 24 years of service to Taylor Community and, in the last six months, they’ve gone above and beyond for our residents and this organization. So yesterday, in the midst of this pandemic, we paused to surprise them with a little birthday fun, complete with dancing unicorns and hippos and silly poems. There was lots of laughter all around.

It was a nice reminder for all of us how good it feels to stop and celebrate the people who matter to us. That in the midst of this COVID-19 pandemic, there’s still much to smile about and to be grateful for—like the talented, hard-working and dedicated people we’re fortunate to work alongside every day.

So, please join me in celebrating the “50 & Fabulous” Paula Glaude, Crystal Hardy, and Danielle Bertagna today. Special thanks as well to Glendale Dining’s talented pastry chef, Lou, for providing us a beautiful cake for the celebration. And if you, too, would like to have a dancing unicorn and hippo help celebrate an upcoming special occasion, please consider calling our new friends at Unique Deliveries. I promise you that they won’t disappoint.

Be safe, wear a mask, and please keep washing your hands,

Michael (366-1219 or mflaherty@taylorcommunity.org)

WELCOME BACK CARAYLN!

We're thrilled to welcome back our Director of Resident Activities, Caralyn Russell who has been on maternity leave with her sweet family. James Jude Russell was born on 6/21/20 at 7:02am weighing 8 lbs 12 oz and 21.5". According to Caralyn, "We assumed he was already trying to one up his big brother by arriving on Father's Day." His current hobbies include eating, sleeping, smiling at his big brother, and watching sports with his Dad.

TAYLOR HOME PROJECT COMPLETE

Our thanks to the hard working local crews from Dalton Construction, TurfPro, Clairmont Paving and Lakes Region Striping, along with our own Taylor grounds team for their fine work on the construction project in front of the Taylor Home building. Work finished up on this project last week and it looks great! Special thanks as well to our Taylor Home residents who helped supervise the project from the front porch.

JOKE OF THE DAY

Pregnant at 71...
A woman went to the doctor's office where she was seen by one of the younger doctors. After about four minutes in the examination room, she burst out screaming as she ran down the hall.

An older doctor stopped her and asked what the problem was, and she told him her story. After listening, he had her sit down and relax in another room.

The older doctor marched down the hallway back to where the younger doctor was writing on his clipboard. "What the hell is the matter with you?" the older doctor demanded. "Mrs. Terry is 71 years old, has four grown children and seven grandchildren, and you told her she was pregnant?"

The younger doctor continued writing and without looking up asked, "Does she still have the hiccups?"
